

## The El Dorado County General Plan and Zoning Ordinance Amendments: **Facts and Fiction**

The County Board of Supervisors is considering amendments to our general plan and zoning ordinances that could significantly affect how properties, neighborhoods, region boundaries, and open spaces are designated. Don't be fooled, these amendments could negatively impact zoning, traffic, open space, noise, water – all of which shape the quality of life we now enjoy. The current rural nature of the towns of El Dorado, Diamond Springs, Camino, Pollock Pines, Cedar Grove, Shingle Springs, El Dorado Hills, Cameron Park, and others are being threatened.

A community town hall meeting to discuss these issues will be held on:

**When: Wednesday, April 29, 2015**  
**Time: 6:30 PM to 8:00 PM**  
**Where: Cameron Park Community Services District**  
**2502 Country Club Drive, Cameron Park**

Come learn how the amendments affect traffic, zoning, open space, and more.
